CONTRACTING

AFRICA
BIOMASS
COMPANY

CONTRACTING

- Agricultural: orchard/vineyard **recycling and mulch spreading**
- Fuel grade **biomass** for energy production
- **Site clearing and preparation**
- **River rehabilitation** in riparian zones
- **Field services, parts and spares**
- SETA accredited operator **training**
- **Designing, manufacturing and maintenance**
- **Repair workshop and services**

EQUIPMENT/PRODUCT SALES

Equipment Sales and Distribution

- PTO Woodchippers
- Engine Woodchippers
- Whole Tree Chippers
- Horizontal Grinders
- Stump grinders

- TLB's (Backhoe Loaders)
- Front-end Loaders
- Loggers
- Haulage Tractors
- Motor Graders

- Agricultural Mulchers
- Forestry Mulchers
- Soil Mulchers
- Mulcher Attachments

- Badger Woodchippers
- Bioturn Compost Turner
- Billeter
- Stacking Conveyor
- Pallet Shredder
- Diesel Bowser
- Badger Sleeper

Equipment Sales and Distribution

150 PTO CHIPPER

PTO Power: 150 hp
 Style: Drum with Automatic Single Infeed Roller
 Chipping Capacity: 150 mm diameter
 Weight: 700 kg
 Feed Height: 824 mm
 Discharge Height: 2270 mm
 Unit Dimensions: 2400 mm (L) x 1410 mm (W) x 2270 mm (H)

120 AUTO CHIPPER

Power: 27 hp
 Engin: 740 cc Petrol
 Start: Electric
 Style: DISC with infeed roller
 Chipping Capacity: 120 mm diameter
 Weight: 410 kg
 Discharge Height: 1750 mm
 Unit Dimensions: 3000 mm (L) x 1070 mm (W) x 1780 mm (H)
 Retail Price: R84 000 (excl. VAT)

50 CHIPPER

Power: 7 hp
 Engin: 212 cc Petrol
 Start: Pull Start
 Style: DRUM with 2 reversible blades
 Chipping Capacity: 50 mm diameter
 Weight: 85 kg
 Discharge Height: 950 mm
 Unit Dimensions: 1890 mm (L) x 550 mm (W) x 1230 mm (H)
 Retail Price: R15 500 (excl. VAT)

40 T LOG SPLITTER

Power: 14 hp
 Engin: 420 cc Petrol
 Start: Pull Start
 Splitting Force: 40 ton
 Modes: 2 Operating Modes
 Weight: 310 kg
 Unit Dimensions: 2300 mm (L) x 1130 mm (W) x 970 mm (H)
 Retail Price: R43 000 (excl. VAT)

150 PI CHIPPER

Power: 22 hp
 Engin: Rato, 670 cc Petrol
 Style: Drum with Automatic Single Infeed Roller
 Chipping Capacity: 150 mm diameter
 Weight: 750 kg
 Feed Height: 700 mm
 Discharge Height: 2100 mm
 Unit Dimensions: 3250 mm (L) x 1410 mm (W) x 2100 mm (H)

100 PRO CHIPPER

Power: 14 hp
 Engin: 420 cc Petrol
 Start: Pull
 Style: DRUM with 2 reversible blades
 Chipping Capacity: 100 mm diameter
 Weight: 252 kg
 Discharge Height: 1357 mm
 Unit Dimensions: 2683 mm (L) x 1030mm (W) x 1550 mm (H)
 Retail Price: R37 500 (excl. VAT)

STUMP GRINDER

Power: 14 hp
 Engin: 420 cc Petrol
 Start: Pull
 Style: 9 teeth 300 mm grinding wheel
 Above Ground: 500 mm clearance
 Below Ground: 235 mm clearance
 Weight: 112 kg
 Unit Dimensions: 1700 mm (L) x 750 mm (W) x 1100 mm (H)
 Retail Price: R27 500 (excl. VAT)

26 T LOG SPLITTER

Power: 7 hp
 Engin: 212 cc Petrol
 Start: Pull Start
 Splitting Force: 26 ton
 Modes: 2 Operating Modes
 Weight: 250 kg
 Unit Dimensions: 2300 mm (L) x 1130 mm (W) x 970 mm (H)
 Retail Price: R36 000 (excl. VAT)
