 Biowatt

**POWERMAX BIOWATT®
BIOMASS GASIFICATION
POWER PLANT 100KW-20MW**

Replace Diesel, Cut Fuel Costs By Max 90%!

EARNINGS  Electricity  Biochar  Carbon Credits

Implemented Projects

- 12MW Rice Husk Gasification Power Plant (Myanmar)
- 100KW Biomass Gasification Power Generation Project (Wuxi, China)
- 3MW Wood Chips Gasification Power Plant (Malaysia)
- 500KW Biomass Gasification Power Generation Project (Taiwan, China)
- 2MW Biomass Gasification Power Generation Project (Indonesia)

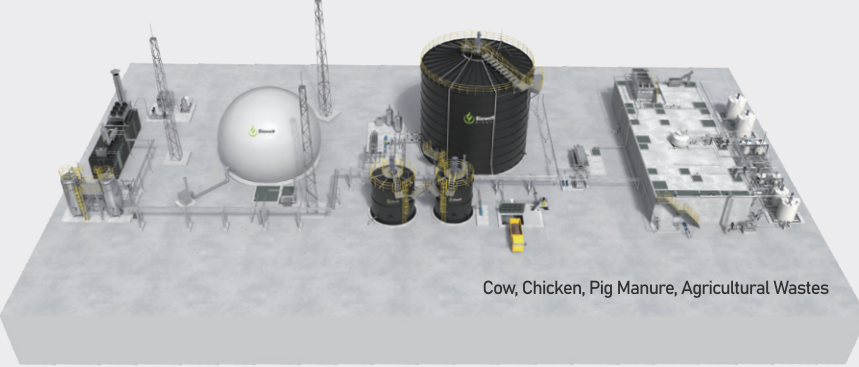

Projects In Development

- 10MW Biomass Gasification Power Generation Project (Canada)
- 70 Units of 1MW Biomass Gasification Power Projects (Kenya)
- 6MW Biomass Gasification Power Generation Project (USA)
- 20 Units of 2MW Biomass Gasification Power Projects (Taiwan, China)
- 50 Units of 1MW Biomass Gasification Power Generation Projects (Indonesia)
